

Welcome to Mallorca Bar Sales.

We offer free advice on buying a business in Mallorca and we have a range of select businesses for sale and to rent at all price ranges in Mallorca, Spain. Mallorca Bar Sales of course sell bars on the Mediterranean Island of Mallorca, but to be more precise we sell bars, restaurants, shops and every other type of business, but we thought that www.mallorcabarsrestaurantsshopsandbusinessesforsale.com was a little long and not that memorable!

If you are considering escaping the rat race, improving your quality of life and buying a business on this beautiful, sunny island of Mallorca then you have come to the right place.

We only offer for sale businesses that we have personally visited, and in areas where we have an in-depth knowledge so we can advise you on competition, levels of trade, business potential, local suppliers and tourism trends.

At Mallorca Bar Sales we specialise in businesses for sale and to rent in the South East of Mallorca, this includes the resorts of Cala d'Or, Cala Egos, Cala Ferrera, Porto Colom, Calas de Mallorca, Porto Cristo and many others. We major in this geographical area because we know this region of Mallorca has so much to offer any prospective business owners, particularly those wishing to achieve a good quality of life with thriving Summer resorts and laid back Winter retreats.

We don't believe that offering businesses for sale all over the island is beneficial for you, how can an agency in Palma that is over 40 miles away, advise you of the market, the competition, the nationality and levels of tourists, the capacity of hotels and therefore your key to success or failure, when the business you are looking at is the other side of the Island? In truth, they can't.

We know the area, we know the market and we know all the businesses we list. So we can personally advise if a business is suitable for you and what you wish to achieve. It's important to know that not all business owners wish to list their business publicly on the agents site, they prefer not to advertise that the business is up for sale, unless you know these owners personally then you will never find these businesses, because of our knowledge we have these businesses available but you won't find them on our, or any other agencies site. Please contact us or register your interest to get the best access and service that anyone can offer.

If you are looking for business for sale in other areas of Majorca we would recommend visiting Target Mallorca and using their business search service. We are highly qualified in selecting businesses that have potential for growth and advising you where these opportunities are and equally as important which ones to avoid wasting your hard earned money on, be warned, like everywhere else, there are a few like that around and someone may well be trying to sell them to you so be careful.
